a pessimistic look on its face.

"That night Aunt Julia called up all the newspaper offices, and the reporters

They make faces at each other every time they meet, and I'm always afraid they'll meet in the alley some day and said they'd be around the next morning, and Aunt Julia was so happy she went around the house singing, 'The Star begin clawing the jute off each other. It's the spirit of emulation that made around the house singing. The Star Spangled Banger. But just while she was warbling the chorus we heard an awful roaring and howling back by the them enemics, professor. "They keep the closest tab on each other all the year round. If Aunt Julia buys a new lid with a peck of green roses on it, you can bet your wooden watch that Mrs. Doolittle will loom up professor. The two dogs had broken happening. It was a painful spectacle, professor. The two dogs had broken loose and were putting up the greatest next day with a hat that would make the Aurora Borealis look like 30 cents. Then Aunt Julia throws her hat on the scrap ever seen in this country. All the neighbors had gathered around and we stood there, by the struggling moon-beam's misty light and the lanthorn dimly burning, watching a mixup that would have made Reno famous. floor and jumps on it, and for a week or so she's so boiling mad there's no pleas-ure in living in the same town with

her.

"The trouble began two years ago when Mrs. Doolittle bought an imported mastiff. It was about the size of a sawmill and ugly enough to give a man bad dreams, but it had a pedigree showing that its ancestors came over in the Mayflower, and all the dog fans in the country were excited about it. Up to that time the rivalry between my aunt and Mrs. Doolittle was friendly, but when reporters and photographers began coming to the Doolittle place to fix up illustrated stories about the mastiff my aunt began guashing her teeth, for she likes to attract attention as much as anybody. Then Mrs. Doolittle exhibited her critter at a dog show and got a gold medal, and she used to wear it on her of carnage."

dimly burning, watering a mixing would have made Eeno famous.

"Old Doolittle came over with his seven league boots on, and tried to separate the beasts, and they both bit him in the most impartial way, and then went to work again. My aunt was exceaming at the top of her voice, and Doolittle was howling bloody murder, and the whole thing was enough to make a man's blood run cold. In the morning the matter should have made Eeno famous.

"Old Doolittle came over with his seven league boots on, and tried to separate the beasts, and they both bit him in the most impartial way, and then went to work again. My aunt was exceaming at the top of her voice, and Doolittle was howling bloody murder, and the most impartial way, and then went to work again. My aunt was attention a man's blood run cold. In the morning the two dogs with a scoop shovel and garden rake, and gave them decent burial, and the matter should have stopped the most impartial way, and then went to work again. My aunt was screaming at the top of her voice, and Doolittle was howling bloody murder, and the most impartial way, and then went to work again. My aunt and be a man's blood run cold. In the morning a mathem went to work again. My aunt and the most impartial way, and then went to work again. My aunt and be a man's blood run cold. In the morning a mathe medal, and she used to wear it on her of carnage.

Satan's Best Friend Is a "No Account" Cooking Stove

The wedge which "his majesty" uses to start trouble between man and wife is frequently a bad dinner.

Mr. Restaurant Chef cooks the lunch Friend Husband eats down-town, on the most perfect gas range made.

Friend Wife's dinner can't compete with these lunches unless she has a range as good as Mr. Chef.

The surest way to cheat the demon of trouble is to banish the element of luck from your kitchen by installing a modern range of the "New Process" type.

Consider the Woman You Care For

Install a gas range. Ranges sold on time.
